Asphalt Recyclers Re-Elect Dave Cannon 2009-2010 President

During its recent 33rd Annual Meeting held in Indian Wells, California, the membership of the Asphalt Recycling & Reclaiming Association (ARRA) re-elected Dave Cannon to the office of President for the 2009-2010 term. David M. Cannon has over 30 years of experience in the heavy/highway construction industry in western Pennsylvania, and over 23 years of ARRA affiliation, having served previously as Chairman of the Full-Depth Reclamation/Soil Stabilization Committee and as a Member of the ARRA Board of Directors; he is serving his second term as ARRA President. In addition, he is a 3-term Past-President of the Pennsylvania Association of Asphalt Material Applicators (PAAMA), where he remains a member of the Board and W. PA Training Coordinator. Mr. Cannon is a graduate of Indiana University of Pennsylvania with a Bachelor of Science degree in Urban & Regional Planning and holds a Masters Degree from the University of Pittsburgh in Administration and Labor Relations. Mr. Cannon recently joined the management team of the Mt. Carmel Stabilization Group, the largest and longest-tenured Stabilization/Reclamation contractor in North America, as a Manager of its eastern US operations.

Other 2009-2010 officers re-elected were: Vice President – Billy Garrity, Garrity Asphalt Reclaiming Inc., Bloomfield, Connecticut, and Secretary/Treasurer Pat Faster, of Gallagher Asphalt Corporation, Thornton, Illinois. ARRA's Immediate Past President is Tom Johnson, Midstate Reclamation, Lakeville, Minnesota.

Directors elected for the term include: Vern Cameron, Kennametal Inc., Latrobe, Pennsylvania; Andrew Fox, SemMaterials, L.P., Tulsa, Oklahoma; Tom Kiernan, Lafarge, Naperville, Illinois; Ryan Essex, Miller Paving, Ontario, Canada; and John Irvine, Roadtec, Chattanooga, Tennessee. Don Matthews, Pavement Recycling Systems, Riverside, California will serve as chairman of the Committee on Recycling Education (CORE), ARRA's technical committee.

The Asphalt Recycling & Reclaiming Association is a non-profit trade association of contractors, equipment manufacturers, suppliers, public officials, and engineers engaged in the recycling and reclaiming of asphalt, using the economies of recycling to rebuild a stronger and safer network of highways, streets and roads across the country and around the world.

A complete list of the ARRA 2009-2010 Board of Directors and committee chairs is attached.
